### THOUGHT FOR THE DAY WITH POPE FRANCIS

The radical change Jesus brought about commits his disciples of both yesterday and today to a personal and community [self] examination. Indeed, even in our day it can happen that we harbour some prejudices that prevent us from seeing reality. But, today, the Lord asks us to adopt an attitude of humble listening and docile expectation because God's grace often manifests itself in surprising ways that do not match our expectations. (*Angelus*, St. Peter's Square, 8 July 2018)
